Cryptographic Issues

The screenshot shows the OWASP Juice Shop web application interface. The browser address bar displays the URL `http://localhost:3000/#/score-board?categories=Cryptographic Issues`. The page header includes the OWASP Juice Shop logo and navigation links for Account, Your Basket, and EN. The main content area features a dark theme with a sidebar on the left. The top section displays progress for Hacking Challenges (16%) and Coding Challenges (0%). A search bar and filters for Difficulty, Status, and Tags are present. A horizontal scrollable list of challenge categories is shown, with 'Cryptographic Issues' highlighted. Below this, several challenge cards are displayed, each with a title, description, difficulty rating (stars), and a progress indicator (e.g., 0/2, 0/3, 0/4, 0/5). The challenges include 'Weird Crypto', 'Nested Easter Egg', 'Forged Coupon', 'Imaginary Challenge', and 'Premium Paywall'. The bottom of the page shows a footer with a search bar and various settings.
